

Collage Handout

A collage is a piece of art that uses a variety of materials by cutting and pasting them on any type of paper.

Directions:

1. Collect paper, string, newspaper, photos, or anything else you want!
2. Use crayons, markers or colored pencils to color the materials.
3. Use scissors to cut the materials
4. Choose a piece of paper to use
5. Start pasting the materials on the paper

Glue Recipe: mix 1 cup flour, 1/2 cup water and 1/8 teaspoon salt

Vocab to know: collage, portrait, landscape, abstract, surrealist, recycle
