

Conversation Starters

Download, print, cut, and drop each line into an empty jar and reach into it every time the mood strikes.

Use the blank slips to create your own conversation starters!

What sound does your rooster make in your native language?
If you could invite one person to dinner, who would it be and what would you serve?
Choose a different place you would want to travel to for one day.
Would you rather be rich or famous?
What song reminds you of a special time?
Give two truths about yourself and one lie.
What is your favorite place to visit and why?
What is your greatest fear and your greatest hope?
Share a skill that you have the most people don't know about.
What is your superpower? What can you do better than anyone else?
What gives you the greatest joy?
Have you ever helped a stranger?
What do you have on your keychain and why?
What new place do you want to visit the most?
What is the strangest thing you've ever eaten?
If you could only eat one food for the rest of your life, what would it be?
Say hello in as many languages as you can.

Cut out and fill in the speech bubbles to decorate your jar!
