

# Bebop Worksheet

**What is bebop?** Bebop is a type of jazz music originating in the 1940s; known for its use of improvisation, fast tempo, and complex and shifting rhythms.

## example:

drawing

Find objects around your house or on a walk outside. Do a small drawing of each object (maybe add some feet or hands like Chris Raschka's illustrations!). Then, get an adult to help you spell and write out the name of the object. Finally, abstract the spelling or pronunciation of that word to create your own bebop word. Use all of the bebop words you make to create your own bebop song!

tulip
