

# Cork and Wire Ballerinas

Create little people sculptures, using recycled materials.

1.

With wire # 1: Make loop for head and stick one leg into cork.

2.

With wire # 2: Fold in half and twist around wire 1 for arms. Bend at elbows and wrists.

3.

Get plastic bag or fabric scrap. Fold and put head through center hole

4.

With wire #3: Fold in half. Twist around plastic bag at waist and point or bend other leg.
