

Bookmaking Made Easy

1. Hold paper horizontally and fold in half like a book.
2. Fold again in same direction.
3. Fold paper in half from the top down.
4. Unfold and see directions below.
5. Refold like a book with the fold line on the right.
6. Cut on the center dotted lines to the first fold.
7. Unfold and refold on dotted lines as a long horizontal rectangle.
8. Pinch corners together and push toward center to push center pages outward.
