

Leaf Ghosts

Materials: Fallen leaves, white paint, black marker
(Optional: string)

1. Go outside and look for fallen leaves that you think look the most like ghosts.
2. Paint both sides of the leaf with white paint and let dry.
4. Use a black marker or paint to draw on eyes.
5. Use a string to make a garland, scatter them on a table, or hang them up!

Fun fact about sheet ghosts: The first record of the classic sheet ghost costume was from Halloween in 1916, around the same time that Halloween became popular!
