

# The Number Two: White Oak Leaves & Acorns

Learn about the number two with the help of white oak leaves and acorns. White oak trees can grow up to 100 feet high and live longer than 400 years! Native Americans once used their abundant acorns to make flour. After you color in the white oak leaves and acorns, practice drawing the number "2" and writing the word "two".

Trace the number 2 and practice drawing it on your own!

Trace the word "two" and then practice writing it on your own!
