# National Candle Day

Celebrate National Candle Day on December 5th with this fun candle craft! To make the bent candles, all you need are candle sticks!

Steps:

1. Fill a sink with hot water and add the candle sticks.

2. Let sit for 10-15 minutes, rotating every 3 minutes.

3. Remove from water one at a time and bend however you want! Experiment with fun candle colors and shapes!

4. Once cool, rub off the excess wax with your fingers or a paper towel.

Fun Facts:

- Ancient Romans burned candles as early as 500 BC.

- Candles were originally made from animal fats.

- Ancient Greeks began the tradition of decorating a cake with candles when celebrating the Goddess Artemis.
