

NASA stands for the National Aeronautics and Space Administration. Nasa was established in 1958 and is an agency of the U.S. federal government responsible for the civilian space program, as well as aeronautics and space research. With the Artemis program, NASA will land the first woman and next man on the Moon by 2024. Learn more about NASA's Artemis Program 2024. here https://www.nasa.gov/specials/artemis/
