

# Popsicle Stick Turtle

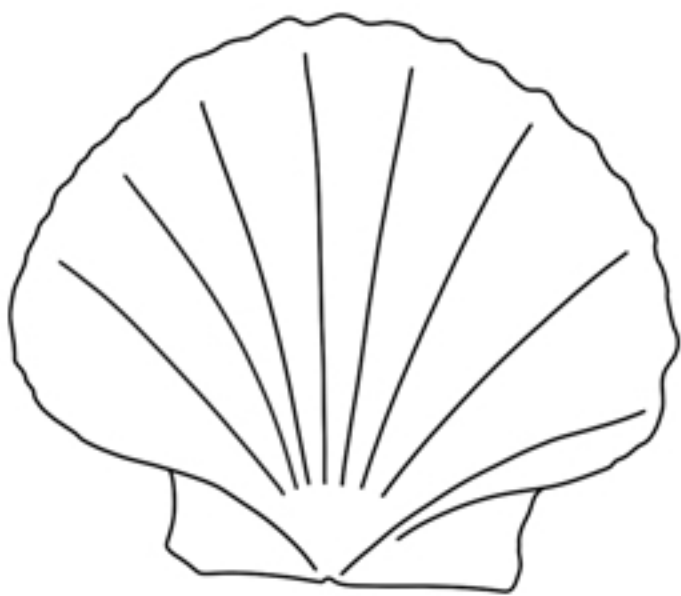

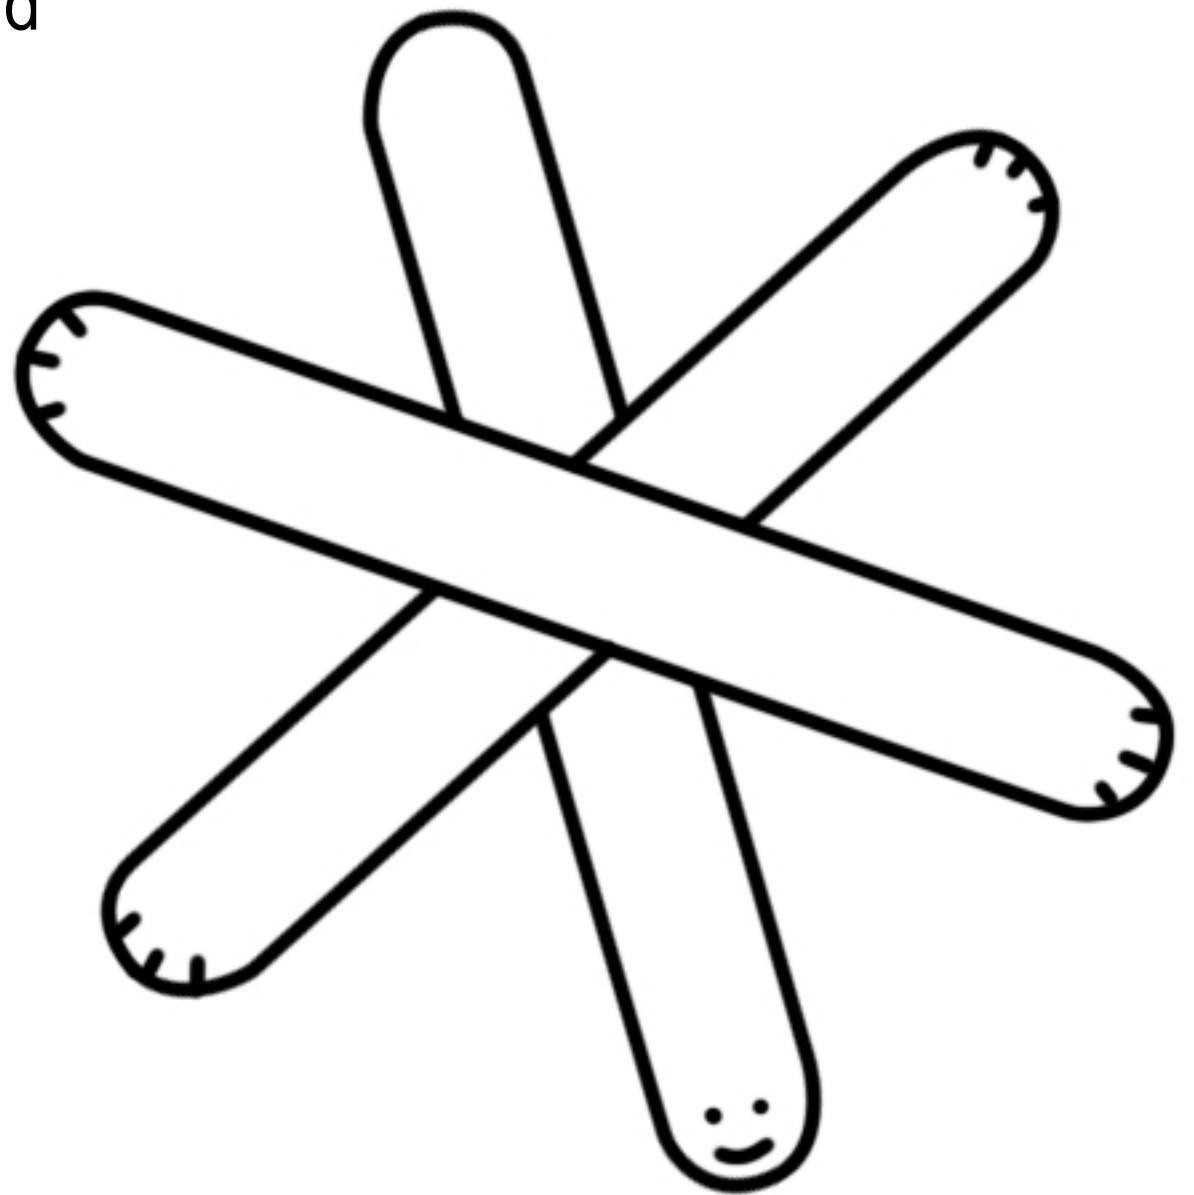

Follow the instructions below to make your own popsicle stick turtle! You can use any material you want for the shell!

Materials: Popsicle sticks, paint, glue, and a shell

Step 1: Paint three popsicle sticks and glue together in the center. Let dry.

Step 2: Pick your shell! If you aren't sure what to use, try paper, cardboard, or one of the items below!

Step 3: Paint your shell and glue it to the back of your turtle!

Seashell

Egg carton cup

Bottom of a plastic bottle
