

# Paper Butterfly Ring

Follow the steps below to create your own paper butterfly ring!

Materials: Paper, pipe cleaner, scissors, and markers.

1. Cut out the rectangle below. Fold in half and cut along the wings of the butterfly.

2. Twist a pipe cleaner around your finger to make a circle.

3. Twist the pipe cleaner around the middle section of the butterfly (represented by the thick gray line).

4. Twist the pipe cleaner once more to make antennae.
