

National Hamburger Day

NATIONAL HAMBURGER DAY ACTIVITIES

1. Fire up the grill

Of course! Set up the lawn chairs, ice up the coolers, and get to grilling. The best way to enjoy a homemade burger is surrounded by friends and family.

2. Eat a gourmet burger

Get fancy with it — many fine dining establishments serve high-end burgers on their menus. Sample a burger made with Wagyu beef, or coated in gold leaf.

3. Drive thru!

The fast-food hamburger is nearly synonymous with the food itself. Sometimes, you want it cheap and fast. Pull around to your local fast-food joint and score some inexpensive, but delicious, eats.
