

Popsicle Stick Flag Craft

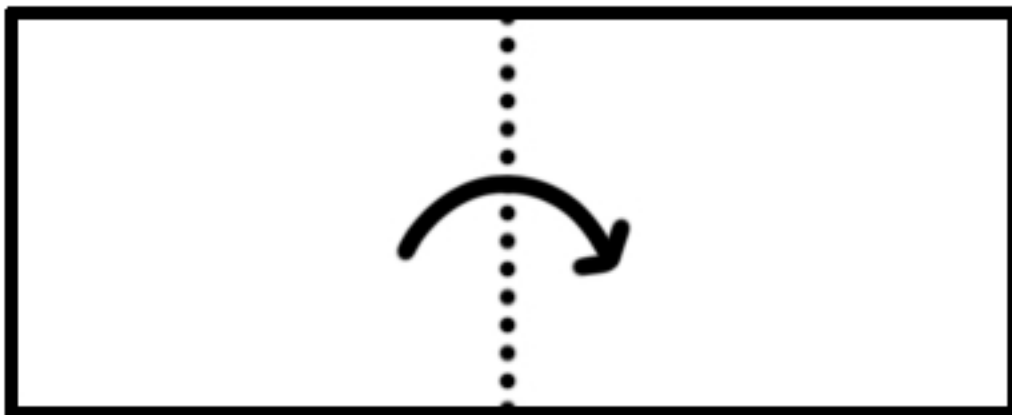

Follow the steps below to make your own popsicle stick flag! You can use one sheet of paper to make two flags.

Materials: Blank paper, scissors, glue or tape, and coloring or decorating materials.

Step 1: Cut a piece of blank paper in half horizontally. You could use plain white or construction paper.

Step 2: Fold and unfold the half of the paper.

Step 3: Tape or glue a popsicle stick along the fold line on the inside of the paper.

Step 4: Glue or tape the flag shut.

Step 5: Decorate your flag as a representation of you!
