

Selfie Day

Take a walk in nature and other areas and have a selfie scavenger hunt! Use the guidelines below to take selfies in different areas and create a collage at the end.

- > take a selfie with trees
- > take a selfie with an animal in the background
- > take a selfie with the sky
- > take a selfie with a body of water
- > take a selfie in the grass
- > take a selfie with some rocks
- > take a selfie with some friends
- > take a selfie with your parents
- > take a selfie in front of your home
- > take a selfie at your school
- > take a selfie with some flowers
- > take a selfie with something that's your favorite color

Once you've taken your selfies, you can choose to organize them however you'd like! You could create an electronic album on your device. If you are able to print the pictures out, you could create a small booklet or a collage as well. Share them with your friends, show them to your family, and have fun with them however you want!
