

LGBTQ Pride Month

It's time to celebrate pride! Color the rainbow below with the colors of the rainbow (red, orange, yellow, green, blue, indigo, violet) or color them with your own favorite colors. This is about being who you want to be, so be yourself. Use a pen or marker to fill in the spaces of the rainbow with your favorite things about yourself after you color them. You can write about anything, from your hair to your sense of humor and your hobbies. Be yourself and be proud!
