

BOBCAT

Bobcats are medium size cats that are native to North America, from Canada to Mexico. However, the cats in the north are larger than the ones in the south. They can live from anywhere between 5 to 15 years.

1. Cut out the bobcat outline below.
2. Then draw the eye, fur and other detail like eyes, nose, and whiskers.
3. This cat is looking right at you – Add sunglasses to make him a cool Bobcat!
