

What Makes Pop Popular?

At the end of the day, pop music refers to popular songs that are in the public eye.

In the areas provided, write down some popular songs that you enjoy and then describe why you enjoy them. Is it the lyrics? The beat? Try to be as detailed as possible. If you can't think of any popular songs, write down some songs that you think should be popular.

Song Title

Reason you enjoy the song

(Don't feel pressured to fill in all of the lines. I want to see what comes to mind immediately)
