

How to Apply for College

Step 1: Gather your information

- SAT or ACT Scores
- Official/unofficial high school transcript
- Recommendation letters- if required
- College essay- if required

Step 2: Pick your schools

Dream Schools

Safety Schools

Possible schools

Step 3: Apply

There are a few things to keep in mind

- Most schools have application fees. Keep in mind how many schools you are applying to and the cost
- Get help with your application! Ask your teachers, mentors, friends, or others to look over your application and give their recommendations to help make it better!
- This process is time consuming, but if you stay organized it will make the process easier!
- Remember to stay positive and not to stress out too much and good luck!
