

Cardboard Rattle or Rainstick

Materials: Print of handout (or use a toilet paper roll, wrapping paper tube or paper towel roll as an alternative for tube and 2 cupcake paper cups as an alternative to circles), scissors, tape, glue, 2 rubber bands, markers, crayons, or pencils, rice, pebbles, twigs, lids, beads, or other items to make sound, and streamers or ribbon to decorate.

1. Print out this handout. Decorate two circles and rectangle with markers, crayons, or pencils. Cut out shapes.
2. Roll rectangle to make a tube. Add glue and hold it in place with tape.
3. Put glue on the bottom edge of the tube and place it upright on center of one circle. Form circle around the end and hold together with a rubber band.
4. Insert in tube rice, pebbles, twigs, lids, beads, or other items to make sound.
5. Glue top edge of the tube, form a circle around the end and hold together with a rubber band.
6. Decorate and glue or tape on streamers and ribbon.
