

Experience Icebreakers

What experiences would you like to have?

Which would you rather do?

Would you rather climb a mountain or watch a sunset?

Would you rather go back in time or travel in the future?

Would you rather meet someone famous for a day or be famous for a day?

Would you rather get married on an island with a few people attending or have a larger wedding with hundreds of people locally?

Would you rather be surrounded by people you respect or be surrounded by people who make you laugh?

Draw a picture or write a poem or song inspired by your favorite answer above.
