

Santa's Secret Cocoa!

Santa has a secret recipe for the perfect hot cocoa that he wants to share with you! However, he has encoded the recipe to keep it safe. Decode the recipe to enjoy a delightful cup of Santa's hot cocoa! Use the codebreaker's guide to decipher the ingredients and instructions. Then, with the assistance of an adult, prepare this special treat.

HINT	CODE	ANSWER
Healthy white drink	<i>likm</i>	
It is chocolatey!	<i>ocaoc ropdwe</i>	
Adds sweetness	<i>ugasr</i>	
Soft, fluffy and usually white	<i>llsmrhaaswao</i>	

INSTRUCTIONS:

1. In a small bowl, mix 2 tablespoons of cocoa powder with 2 tablespoons of sugar.
2. Heat 2 cups of milk in a saucepan or in the microwave. Heat it until it is boiling.
3. Once the milk is hot, whisk in the dry mixture until it is completely dissolved.
4. Pour your hot chocolate into mugs and top with a handful of marshmallows.

Enjoy your drink!

Color and cut the tag to hang it on your Christmas tree!
