

Spookiest Costume Design - I

Think about what kind of scary character or creature you want to become for Halloween. Is it a classic monster like a vampire, werewolf, or mummy, or do you have something entirely unique in mind? Consider what makes your chosen character terrifying. Is it their appearance, powers, or the way they move? Write down a few key features that make them scary. Let your imagination run wild and design the scariest Halloween costume you can think of.

Recommended Materials: pencils, colored markers, crayons, scissors
