

## Pennsylvania State's Favorite Pie

Pennsylvania also boasts other regional specialties, but the pie for PA is a Shoofly Pie! A sweet specialty from Lancaster County, shoo-fly pie is a molasses and brown sugar dessert with a crumb topping. Be cautious—this pie is known for attracting flies! The shoofly pie was invented by the Pennsylvania Dutch in the 1880's.

**Directions:** Color in and cut out. Fold into a pie shape!
