Celebrate Earth Day with Art Sphere Inc.

PHILADELPHIA, PA....Volunteers from the community, schools and business are invited to attend Art Sphere's celebration of Earth Day on April 9 from 9 a.m.-noon at the Fishtown Recreation Center, 1202-32 E. Montgomery Avenue in Philadelphia. The Earth Day movement is now celebrating its 45th anniversary when they kick-started the modern environmental movement. Volunteers will help clean up the area around the Recreation Center and help finish painting a mural on an inside community room. Volunteers must pre-register for this event: For more information see <http://artsphere.org/get-involved/sign-up-to-volunteer/> or info@artsphere.org

Founded in 1998, Art Sphere Inc., a Philadelphia-based non-profit, uses art as a tool to empower individuals to take civic responsibility and restore Philadelphia neighborhoods so that communities can provide safe and nurturing environments for all of their residents. They coordinate free, fun events throughout the year for volunteers to share their creativity and make new connections and is the only non-profit of its kind to deliver a range of artistic and human services to culturally underserved youth in the Philadelphia region.

Come help to finish
painting this mural!
